Subject: Objection to Rule Change 8.4 of the Professional Rules of Conduct for Montana Attorneys

Honorable Members of the Court,

It has come to my attention that you are asking for public comment on the proposed rule change 8.4 of the Professional Rules of Conduct for Montana Attorneys.

It seems clear that this new rule would violate the free exercise of religion and limit what a lawyer is allowed to believe. This would technically be instating a "thought police" society.

This rule is a direct violation of the freedom of speech.

Please do not allow this erosion of our rights as Montanans. We highly value freedom in this great state and want our freedoms to continue.

Thank you for your consideration. I hope you'll reject this rule change.

Sincerely,
Rose Marie Waldenberg
